NOW FIND YOUR PLACE ON THE CHART!

Mark your PERSONAL score on
the lower-left scale; your
ECONOMIC score on the lower-right.
Then follow the grid lines until they
meet at your political position. The Chart
shows the political group that agrees with
you most. Liberals tend to value personal
freedom. Conservatives tend to value
economic freedom. Libertarians value both.
Statists are against both.

WHY WE NEED A BETTER MAP OF POLITICS

Political scientists and
pollsters have known for a long
time that there is more to politics
than Left and Right (or Liberal and
Conservative). The World's Smallest
Political Quiz's Diamond Chart is more
accurate and inclusive. It shows who really
agrees with you most in the world of politics.
The Quiz is used in classrooms and has been
published in magazines, newspapers, and more!
